NOTICE - GENERAL

(Financial Assistance / Fee Relaxation) due to Untimely death of Parent(s)

The onset of COVID-19 has impacted life of everyone like never before. The Corona virus pandemic has cast a gloomy shadow over almost each and every family of India including our SRMGPC family also. In certain cases, the families have lost their bread earners thus affecting the life of every member of the family. In case of a student, losing his/her father / bread earner can be devastating on personal level on one hand and on the other hand, his/her ability to continue the studies. Thus it is very important that such students are provided financial assistance / fee relaxation to tide over the crisis which the family is facing presently.

In view of above, it has been decided to provide / arrange assistance through AKTU -Chhatra Kalyan Niidhi or waiving-off fee partially / fully at college level (as the case may be). The fee waiver policy would be issued separately.

All students, who have lost their bread earner parent(s) during corona pandemic should apply for the above assistance through the following google link so as to reach Director (Admin.) by 25 May 2021 -

<https://forms.gle/bEys7LGZj2fFWViH8>

HoDs are requested to give wide publicity to this notice and to kindly ensure that it reaches all the students of their department.

Prof. (Dr.) Bhavesh Kr. Chauhan
Director
